Tours: While you are welcome to drop in any time during regular hours of operation we prefer to do tours between 2-3 pm each day to minimize guest disruption by limiting walk-thru traffic. NOTE: We encourage you to bring your pet along for the tour but please be aware that proof of vaccination is required for all pets entering the Hotel (see *Vaccination, Health & Wellness* for details). Also if touring during high occupancy seasons we may ask you not bring your pet thru for guest disruption reasons.
